Fax (763) 272-2009

Good morning families,

In light of the news last week that Governor Walz would officially be releasing his school guidance on Thursday, July 30, we just wanted to drop you a quick note with an updated timeline regarding the planning and notification process for our 2020 Education Plan.

For the most part you will find minor changes to dates to accommodate the slightly later announcement date than we were planning on. The one more significant change is that we will now be sending out the family survey on Friday, July 31 and giving families until August 7 to complete the survey. The district has elected to send out the survey this Friday to allow us to gather information and feedback from families on the front end of the planning process. This information will help us create the best plan possible prior to releasing it to families on August 10th.

Please find the updated timeline below. In addition to the listed information, there will continue to be countless hours put in by administration and educators to prepare for all scenarios and create plans that make education equitable for all this year.

Friday, July 31 - District sends out All Staff Survey and Family Survey. Open until August 7.

Monday, August 3 - Building teams work with leadership and strategic planning teams to review 2020-21 plans and scenarios.

Friday, August 7 - District sends 2020-21 Monticello Education Plan to all staff.

Monday, August 10 - District sends the 2020-21 Monticello Education Plan to all families.

Wednesday, August 12 - District holds live streaming Question and Answer session for staff from 9 a.m. to 10 a.m. and for families from 10-11:30 a.m. with district leadership. More information to come prior to the event.

August 10 - 17 - Administration and leadership teams pull together family, staff, and community feedback and utilize information to update and finalize the 2020-21 Monticello Education Plan.

Monday, August 17 - District brings updated 2020-21 Monticello Education Plan to Monticello School Board. Meeting at 6 p.m.

Sincerely,

Monticello School District
