3. MDCC: Collaboratives

- A. Collaborative are built around academic goals. Have face to face contact at the minimum of one time. The A&I budget pays for buses and activities. How can we build excitement over collaborative opportunities? Are there some creative ideas that we can build a plan around and implement?

4. Committee work

A. Year 2: Collect Data

Because we are in Year two we will start to examine what information we can send out to collect data from parents, teachers, staff, and stakeholders. The committee will review what MDE has to offer as far as data collection and next meeting discuss what we need to do to go forward.

B. Year 3: Write Plan

C. Year 1: Implement Plan
