

DISTRICT PRIORITIES/GOALS

I. PURPOSE

The purpose of this policy is to establish clear priorities that will be used in making decisions regarding the School District. We will use the District's four Strategic Priorities along with fiscal responsibility to guide decisions regarding all educational stakeholders.

II. GENERAL STATEMENT OF POLICY

The School Board believes that priorities should be adopted and used. District and Building Goals should be developed with input from all Board Members and Educational Stakeholders. This process should reflect the priorities of the School District.

III. REVIEW

The School Board shall review the School District's Strategic Priorities, district/building goals every year.
