

STUDENT FUNDRAISING**I. PURPOSE**

The purpose of this policy is to address student fundraising efforts.

II. GENERAL STATEMENT OF POLICY

The school board recognizes a desire and a need by some student organizations for fundraising. The school board also recognizes a need for some constraint to prevent fundraising activities from becoming too numerous and overly demanding on employees, students and the general public.

III. RESPONSIBILITY

- A. It shall be the responsibility of the building administrators to develop recommendations to the Superintendent that will result in a level of activity deemed acceptable by employees, parents and students. Fundraising must be conducted in a manner that will not result in embarrassment on the part of individual students, employees, or the school.
- B. All building-related (PTO, club etc) fundraising activities must be approved in advance by the building administration. All fundraising activities related to the Activities Department must be presented to and approved by the Activities Director, who will work with building administration to coordinate fundraising, subject to final approval of the Superintendent. Participation in non-approved activities shall be considered a violation of School District policy.
- C. Generally, only one fundraising activity per organization or activity will be permitted per year.
- D. Students may not sell to school personnel or other students during the school day.
- E. It shall be the responsibility of the Superintendent to provide coordination of student fundraising throughout the School District as deemed appropriate.
- F. The School District expects all students who participate in approved fundraising activities to represent the school, the student organization and the community in a responsible manner. All rules pertaining to student conduct and student discipline extend to student fundraising activities.
