

Immunization Requirements for 7th & 8th Grade:

Upon entry into 7th grade, the following immunizations are required by law:

An adult dose of Tetanus/Diphtheria/Pertussis (Tdap) after age 11

A second dose of Measles, Mumps, Rubella (MMR)

Three doses of Hepatitis B (HBV)

Two doses of Varicella,

Meningococcal (This requirement from the MN Department Of Health went into effect in 2014)

-If your child has already had these immunizations, they do not need to repeat them*.

-If you wish to declare a conscientious objection (CO), the immunization form may be printed from the Middle School website. A CO must be signed by a parent/guardian AND notarized.

-If your child has a medical exemption, the form is also on the website & must be signed by a physician.

****Please provide the Health Office with an updated copy of your child's immunizations*** (if you have not already done so). THANK YOU!
