## **National School Nurse Day 2023!**

On behalf of the entire Monticello School board, I would like to extend our deep appreciation to all of our School Nurses and Health Office personnel on National School Nurses Day 2023!

As leaders who bridge health care and education, every day our staff and student body rely on the expertise and guidance of our School Nurses. Whether it is advising on individual student health care plans, developing systems for health surveillance, guiding an anxious health emergency, or reassuring the parent of a student who becomes ill at school, our School Nurses are the ones we turn to for calm, competence, and care.

Thank you for making Monticello School District a happier, healthier place! Thank you for your dedication to our student body and our entire school community.

Enjoy your day of celebration and appreciation!

With gratitude,

### **Your Monticello School Board**
